

RC-Network Open F3F 2023

Bulletin 1

05.05.2023

Local Rules:

- It is **not** planned to have a round 0, despite weather conditions that are below FAI limits but still permit to fly without difficulties.
- At the beginning of each day, and after a slope change, there will be one (1) official fly (test flight) before starting the Competition with the first Pilot
- the test flight pilot is chosen randomly out of the competitor field
- At the beginning of each day the lower wind limit for the day will be announced
- a different starting list will be issued for every competition Day
- There will be no calling to the ready box

Jury:

3 Pilots from different countries will be chosen during the first briefing.

Group scoring:

If necessary, group scoring will be applied by 50% of the Competitors

Time Schedule:

Friday, 26.05. 09:30:	Registration and Briefing at the Slope
Friday, 26.05. 10:30:	Start Round 1
Friday, 26.05. 17:00:	No new Round will be started. Finish actual Round/Group

Sunday, 28.05. 10:00:	Start new Round/finish with last Group
Sunday, 28.05. 14:30:	No new Round will be started. Finish actual Round
Sunday, 28.05. ~15:30:	Price giving for senior-, team-ranking at parking place

Banquet:

There will be an official Dinner at Saturday 27.05.2023

The dinner will happen at the "Ferme-Auberge Steinwasen" which is located near the East-Wind-Slope.

The menu is the famous farm-cooked meal, the "Repas Marquaire" ! :

- Vegetable soup
- Meat pie of the Munster Valley with green salad
- Smoked pallet with grilled potatoes also known as "Roïgebrageldi"
- Some cheese
- Choice of dessert: Fruit pies (apples, bilberries...) and the famous "Siess Kass" (white Munstercheese from the morning served with sugar, cream and kirsch)
- Coffee

Frequencies:

We will not manage the sharing of the legacy frequencies. You will have to take care of the proper use of the frequencies

Protest fee:

Protest fee is 30€ and has to be paid when submitting the protest. A protest must be submitted before the start of the next round. In case that protest was justified, protest fee will be returned.

Drone-Regulations:

In regards to new drone related laws in place in France, it is mandatory that all models used during the contest are registered on the following internet portal belonging to the French civil aviation agency (DGAC) <https://alpatango.aviation-civile.gouv.fr> (register an aircraft) As of today, the training attestation is not required for non French pilots, however we encourage everyone to make you aware about the model aircraft related rules in place in France available here: <https://fox-alpatango.aviation-civile.gouv.fr/en/sequences/20>
